

24" Marvel Outdoor Dispensers for Beer or Wine

Model # MO24BNS & MO24BNSM

Performance

- CSA certified for outdoor use to withstand elements like rain, corrosion, high humidity and heat
- Tested to perform in temperatures as high as 115° F
- Dynamic cooling technology delivers rapid cool down, frost-free operation and precise temperature stability
- Thermal-efficient insulated cabinet ensures optimum energy efficiency and cooling performance
- Easy-to-clean integrated drain system keeps spillage under control
- Double-insulated tower reduces foam on pour and prevents condensation

Storage Capabilities

- 5.7 cu. ft. capacity
- The original dispenser to store half barrel, quarter barrel (pony keg), sixth barrels or Cornelius kegs, slim quarters, growlers, bottles or cans
- Lo-Boy coupler makes it easier to store, tap and swap out tall U.S. type D half barrels
- (2) exclusive stow-on-board shelves convert unit to an all-refrigerator capable of storing perishables
- Secure gas tank storage area and drain basin
- Anti-scuff interior floor shield and stainless steel threshold protect against cabinet wear and tear from loading and unloading kegs
- Rear port for external gas tank option

Temperature Controls

- Marvel Prime™ controls for precise, frost-free temperature management between 34° and 60° F
- Audible alarms for door ajar and high/low temperature ensure your contents stay at optimal temperature

Aesthetics

- Corrosion-resistant stainless steel exterior, sturdy pro-style handle and rugged stainless steel toe kick
- Beer and wine tap kits with single or twin tap options
- Finish: stainless steel

Additional Convenience

- Door lock provides added safety and security
- Stainless steel toe kick adjustable to 4" with leveling legs
- 1-year parts and labor warranty, 5-year sealed system parts warranty

Now available with single or twin wine taps

Mobile unit features locking casters and stainless steel mug rail
